

Invoices and Certificates by E-Mail: Fast, Efficient, and Environmentally Friendly

In today's digital world, efficiency is becoming increasingly important. That's why we offer you a very specific service: invoices and certificates by e-mail. This service ensures that you receive your important documents on the day of your order. This way, you have all the necessary documents ready before your delivery arrives.

Your Benefits:

- 1. Fast Availability:**
You receive your invoices and certificates in your e-mail inbox on the day of your order. This way, you are always up-to-date and can view and manage your documents early.
- 2. Environmentally Friendly:**
By avoiding printed documents, we save paper and toner, which makes a positive contribution to environmental protection. Every step towards digitization helps to conserve our resources.
- 3. Searchable PDFs:**
All documents are provided as searchable PDF files. This makes it easier to manage and find specific information.
- 4. Optimization of Warehouse Processes:**
Less paper handling in the warehouse reduces errors and speeds up the entire process.
- 5. Sustainability:**
By opting for digital shipping, you actively contribute to environmental protection and support sustainable practices.

At Global Aviation + Piper Parts GmbH, we place great importance on meeting your needs efficiently and in an environmentally friendly manner. Our service for the digital delivery of invoices and certificates by e-mail is another step in this direction. Use this simple and convenient option to receive your documentation quickly while also protecting the environment. Activate e-mail delivery today and benefit from the advantages of this service.

How to Activate E-Mail Delivery:

1. Log into your [customer account](#).
2. Go to the top right  and click on the button "**Personal Data**".
3. Under the section "**YOUR EMAIL**" you can see the status "**Receive invoices and certificates by e-mail?**"

The invoices will be sent to the stored e-mail address, and the certificates to the corresponding address for certificates.

4. The status "**Also include certificates with the shipment?**" allows you to receive physical copies of the certificates with the shipment, if desired.

Our Recommendation:

Select "**Receive invoices and certificates by e-mail**" -> "**Yes**" and refrain from including physical copies of the certificates in your shipment. Save time and protect the environment!

5. Click on the "**CHANGE CUSTOMER DATA**" button at the bottom of the page to notify us of your changes.

These will be implemented within 24 hours.
